PASTOR'S CORNER

It is hard to believe that it has been One year since Pastor Walters and his Family came to serve the Sudbury/ North Shore Churches.

We appreciate your dedication, service And the sacrifices you have made to be With us. God bless you, your family and Your ministry here in the North.

NOVEMBER is---National Diabetes awareness Month. 11 million Canadians are living with diabetes and many more are diabetic and do not know that they are. Diabetes can be controlled or managed through diet and exercise. Some of the signs/symptoms of diabetes are: excessive thirst, frequent urination, night sweats, dry mouth, nausea, fatigue, weight loss or gain and irritability. If you are experiencing any of these without an explanation it is time to see your health care provider for advice, testing and treatment. God's desire for us is to have healthy bodies and minds to serve and glorify Him.

CONGRATULATIONS

There was much rejoicing in heaven as well as in church on Sabbath November 2nd when Julian, Caitlin and her brother Caelan made their decisions public to follow Jesus and give Him complete control of their lives through baptism. After ongoing bible studies and 2 weeks of Evangelism Series titled "JESUS IS THE ANSWER", by Pastor Walters, these precious individuals decided that Jesus indeed is the answer for their lives. God bless you and guard you all in your path to follow Him all the way.
